

Pack your bags and join the adventure at the 16th Annual Rotary Uncorked! This year, we're taking you Around the World in 80 Days—an evening filled with exotic flavors, international wines and beers, and unforgettable experiences.

The journey begins on Saturday, October 11, 2025, at the Menard Center.

Reserved tables open at 5:30pm, general admission at 6:00pm with the race concluding at 9:00pm.

Last year's event was a phenomenal success thanks to the generous support of individuals and organizations like you. Proceeds helped fund [MyHouse Homeless Youth Center](#) (our main recipient), academic and trade school scholarships for graduating Mat-Su high school seniors along with other impactful community projects.

We invite you to become a sponsor and travel the world with us! Dress in your best adventure-themed attire and join Phileas Fogg as he lifts off in his hot air balloon to guide us on a whirlwind journey across the globe.
